

## **BRYNCIR FATSTOCK REPORT 18.11.2020**

**A smaller entry of 630 lambs saw a sharp rise in trade for all weights. Better conformation lambs selling between 210p & 220p with hill bred lambs regularly selling between 200p & 210p. Cull ewes also saw an increase in price with Texelx up to £110. The good cow trade at Bryncir drew another strong entry of 38 cows. Trade was on fire with extra buyer ringside. More cows needed weekly. Top per kilo & top grossing was a under 30 month clean heifer from Robert Croesor Uchaf selling for 197p realizing £1329. Bulls met a good trade topping at 123p and £1537 for a Char from Williams, Ysgubor Goch.**
