

BRYNCIR FATSTOCK REPORT 2.9.2020

An entry of 1084 lamb + cull ewes and 20 cull cows. A lot of lean lambs forward which were quite difficult to market.

On the other hand well fleshed lambs making an excellent trade, and could have sold more.

Cull ewes in line with recent weeks, with cull cows still on high with clean OTM's selling to 200p/kg
