

BRYNCIR FATSTOCK REPORT 21.10.2020

Entries of 1224 Prime sheep & 33 Cull Cows brought forward this week. A large proportion of the lamb entry were hill bred which reflected in the overall market AV of 172.6p however well bred tight skin lambs sold around the 2.00p mark topping at 212p for 45 kilo Texel lambs shown by BL Jones Rhandir. Meated light lambs either side of 180p. Ewes were a good trade with stronger sorts selling between £85 & £95. Light weight ewes were dearer on the week. Another good show of Cull Cows with trade showing no sign of slacking. More plainer cows in the entry this week however best cows were 140p + selling to a top of 160p for a tremendous Limx Cow from WO Ellis Penllechog which realised £1224. The overall cow AV was 109p
