A successful day's trading at Bryncir Mart yesterday, with a lively ring and plenty of buyers in attendance.

The calves led the day with very competitive trade, selling to £430 from Messrs Williams, Cefn Gwyn, with the weanling that followed proving even more sought after. There was particularly strong demand for these types of young stock with the day's top price awarded to I J Evans, Ty'n Rhos, at £1120.

Store cattle followed a very similar pattern, with a high percentage of younger cattle on offer, averaging 14 months of age, and selling to a notably strong trade throughout. Yearling cattle realised up to £2,200, while strong heifers suitable for bulling sold to £2,820.

A good entry of ewe and lamb couples was forward as well, and these met a firmer trade than in recent weeks, with more to be expected over the coming weeks.
