Another good day's trading at Bryncir Mart this week, with the market full of life and plenty of buyers in attendance. Youngstock was very much the theme of the day, with 78% of the cattle forward being yearlings or younger.

There was the largest entry of young calves at Bryncir Mart for many years, if not decades, with 74 on offer. They met a strong ring of buyers, which was clearly reflected in the prices achieved. Many thanks to vendors for their support. Please get in touch if you have calves to sell — we have a long list of buyers actively looking for them.

Weaned calves again sold to very strong prices, with a pleasing entry forward, while the store cattle also attracted excellent trade, with Eilir Evans, Llwyn Impiau, taking the top price of £2,260.

Ewe and Lamb couples sold very well again this week, with numbers similar to recent weeks but demand appearing to strengthen. E W & E W Lloyd, Las Ynys Fach, topped the section this week, with their first consignment of couples of the season selling to £360.

Thank you to everyone for their continued support of the Mart. We would like to draw your attention to our forthcoming sales, and you will be very welcome to join us:
