Diwrnod llwyddiannus arall o werthu ym **Mart Bryncir** ddoe, lle'r oedd y brysurdeb yn amlwg ym mhob adran ac yn denu cynulleidfa gref o brynwyr, gwerthwyr a llawer mwy. Dechreuodd y gwerthiant gyda'r **Llouau**, lle gwelwyd codiad nodedig yn y prisiau diolch i alw cadarn ar bob teip. Y pris uchaf yn mynd i A C Wannop, Llwyn Ithel, am lô benyw croes Henffordd a werthwyd am £380. Cafwyd nifer bach o **Llouau wedi eu Dyfnu** hefyd yr wythnos hon, gan gyrraedd hyd at £620 — gyda disgwyliad y bydd y galw amdanynt yn parhau i dyfu dros yr wythnosau nesaf.

Yn adran y **Buchod a'r Llouau**, lle daeth I E Griffith, Mynydd Ednyfed a chasgliad arall i'w gwerthu a sicrhau prisiau cadarn unwaith eto. Buwch Limousin 8 oed gydag llô benyw Charolais wrth eu thraed yn cyrraedd y pris uchaf o £2,950.

Gan symud ymlaen at y **Gwartheg Stôr**, roedd dewis eang i siwtio pob prynwr oedd yn bresennol. Gwartheg cyfandirol yn gwerthu hyd at £2,180, tra bod y stôr ifanc o fridiau cynhenid hefyd yn denu cynnigion cadarn, gan gyrraedd hyd at £1,880.

Yr adran nesaf oedd y **Llouau Sugno** gyda'r rhain yn gwerthu i brisiau penigamp! Daeth prynwyr o bob cyfeiriad, yn gyfarwydd ac yn newydd, a phawb yn frwdfrydig i sicrhau stoc ifanc o ansawdd da. Arweiniodd y galw cadarn hwn at brisiau rhagorol, gyda gwartheg 8 mis oed yn gwerthu am £2,140. Mae hyn yn dyst i'r holl werthwyr, gyda'u stoc ifanc wedi'u magu'n dda iawn — llongyfarchiadau iddynt i gyd.

Yn adran yr **Wyn Stôr**, parhaodd y patrwm: gystadleuaeth gref ar draws y corlannau, gyda ŵyn croes Texel yn cyrraedd pris uchaf o £124. Mwy o **Fogau Magu** yn bresennol, yn gwerthu am brisiau sefydlog, tra bod y **Meheryn Stoc** hefyd yn dyst i alw cryf gan arwain at brisiau boddhaol iawn.

Another successful day of trading at **Bryncir Livestock Market**, where the buzz was evident across every section, drawing in a strong crowd of buyers. The sale kicked off with the **Calves**, which saw a notable lift in prices thanks to firm demand across all types. Top price of the day went to A C Wannop, Llwyn Ithel, for a Hereford-cross female calf selling at £380. A handful of stronger **Weaned Calves** also came forward this week, reaching up to £620 — with demand for these expected to grow in the coming weeks.

In the **Cows and Calves** section, I E Griffith of Mynydd Ednyfed presented another dispersal consignment, once again achieving strong prices. The standout was an 8-year-old Limousin cow with a Charolais heifer calf at foot, which topped the section at £2,950.

Moving on to the **Store Cattle**, there was ample choice to suit every buyer present.

Continental types sold to £2,180, while younger native-bred stores also attracted robust bidding, reaching up to £1,880.

The next section — the **Suckling Calves** — saw exceptional prices. Buyers came from near and far, both familiar and new faces, all keen to secure quality young stock. This strong

demand led to outstanding prices, with 8-month-old cattle selling to £2,140. A real credit to all vendors, whose young stock were clearly well-reared — congratulations to everyone. In the **Store Lamb** section, the pattern continued: plenty of competition across the pens, with Texel-cross lambs hitting a top of £124. Increased number of **Breeding Ewes** were forward, selling to a steady trade, while the **Stock Rams** also saw determined bidding and very solid prices.
